

VALENTIN MAGRO

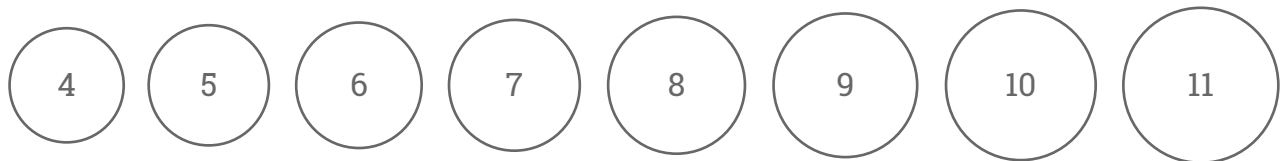

NEW YORK

FIND YOUR RING SIZE

STEP 1: Select a ring you already own

STEP 2: Align the ring with the diagram below. The inner edge of your ring should align with the outer edge of the circle.

STEP 3: If your ring is in between sizes, we suggest that you go with the larger size.

Simply compare the ruler below to your ruler. Lay your ruler over this printed ruler. They should match up exactly in order to use this ring chart properly
